Website Accessibility Features

1. **Design and Navigation**

Our website is designed with accessibility in mind, featuring clear navigation, intuitive layout, and organized content to help all users easily find information about services, including blogs, consultations, training, educational resources, and our online store.

2. **Assistive Technology Compatibility**

The Website is compatible with various assistive technologies, including screen readers, text-to-speech software, and keyboard navigation, to enhance the experience of users with visual or motor impairments.

3. **Adjustable Text and Contrast**

Users can adjust text size, font, and color contrast to meet their individual needs, ensuring a comfortable reading experience for those with visual sensitivities.

4. **Accessible Forms and Requests**

All forms on the Website, including those for consultations, training requests, and donations, are designed to be accessible. Alternative submission methods are available upon request for users who may encounter difficulties using the online forms.

5. **Feedback and Reporting**

We welcome feedback regarding accessibility. If you encounter any barriers or have suggestions for improvement, please contact us at:

Email: TKnight@virtuallyrenownedconsulting.onmicrosoft.com

Phone: (984) 677-4191

Your input helps us continually enhance our Website and resources to ensure they are accessible to everyone.

Commitment to Continuous Improvement

Virtually Renowned Consulting Access LLC regularly reviews and updates the Website's accessibility features to align with current standards and best practices. Our goal is to create an inclusive online environment that provides equitable access to behavioral health resources for all users.
